

## Today's Sport Organization Is Changing...Higher Demands and Fewer Volunteers...

Whether busy rushing kids off to practices or games, working overtime or perhaps working two jobs, families today have little time. Volunteer rates in sport organizations is dropping leaving most of the burden of work to a few.

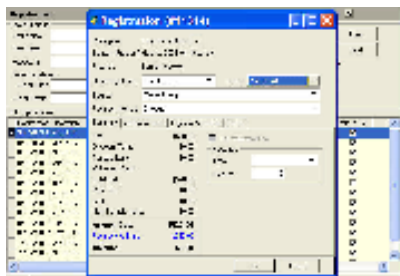

Sport Organizations today must address the high expectations of service with fewer people. The only answer is to leverage technology to it's fullest in a truly 'integrated' system that allows for automation of ALL PROCESSES, not just a select few.

SportzSoft is just the solution! It's suite of products fully integrate to provide a 'complete' enterprise solution!

**Registration, program, member and volunteer management** are often frustrating for everyone - participants, staff and volunteers. Sports programs are hard to manage. Modern families are more complicated and busier than ever. People everywhere expect better information in less time, and better service too. Now it is possible with **SportzSoft Admin**.

### Program set-up in a snap!

Everyone's programs are different, with different groups, fees and activities. With **SportzSoft Admin** you can easily set-up everything – and we help you do it!

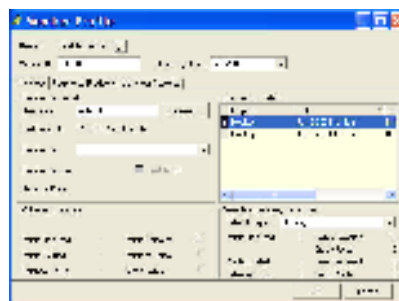

### Take Registrations

Manage and track every registration. Analyse by program, product, age, payment type, status and other properties. Accept multiple payment types.

Set quotas and waiting lists. Specify payment plans. Provide seamless online registration, confirmations, even automated volunteer requirements! Create process not lists. Registration is convenient and ongoing.

Collect separate deposit cheques for uniforms, equipment or volunteering.

All registration, payment, deposit cheque, and volunteer activity information and statuses can be viewed by members via their online account, so you don't need to constantly send out information!

### Add Membership Management

Capture membership and related contact information (emergency, medical, family). Set-up multiple membership types, fees, rights and privileges. Automate expiry. Provide events, programs and activities directly to the member without hassling emails.

### Organize Volunteers

Link volunteer requirements directly to registrations! Setup volunteer events and positions. Easily publish volunteer needs to members. Let them pick according to their schedule. Track volunteer schedules and completions. Easily manage volunteer deposits.

### Communications

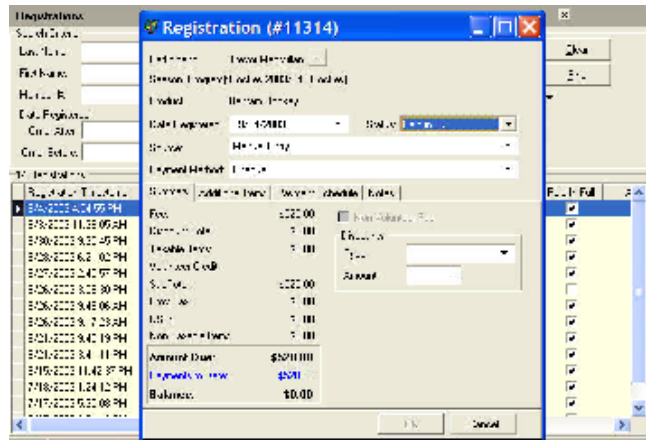

Whether you want to send out mass emails or have customers login to their account for team contact information, SportzSoft Admin is your answer to effective communications.

## Key Features:

### Membership / Contact Management:

- Automatically generates unique membership numbers by membership type
- Multiple membership types with different fees, expiry dates and registration rights for each
- Members, and family members associated with a member, can each have their own unique addresses, phone numbers and email addresses
- Each contact can have separate emergency and medical contacts, as well as separate guardians
- Keeps medical conditions and health numbers
- Track registrations, volunteer requirements and payment statuses for each member

### Volunteer / Volunteer Activity Management:

- Volunteer requirements can be linked to registration
- Integrated volunteer point system; registration specifies how many points you need to earn by product; members earn points by volunteering
- Volunteer activities can be linked to a specific product (i.e.: soccer coaching to soccer registration) or can be left general for all products
- Manage volunteer activities, take attendance and manage deposit cheques
- Schedule one time or recurring volunteer events quickly and easily
- Members can sign up for volunteer activities over the web.

### Registration Management:

- Create unlimited 'registration products' for sport programs, camps, clinics and other activities
- Limit registration for a product to membership type, age group, or geographic location.
- Specify volunteer requirements for products
- For products with volunteer requirements, specify whether members can 'pay in lieu' of volunteering
- All registrations and changes can be controlled by the organization administrator.
- Online registration module
- Can be integrated with merchant internet account for secure, online credit card transactions
